Pett Parish Council

1. Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2017; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

2. 2016/17 External auditor report (ES0072)

Except for the matters reported below, on the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no other matters have come to our attention giving cause for concern that relevant legislative and regulatory requirements have not been met.

- The smaller authority has disclosed that it made proper provision during the year 2016/17 for the exercise of public rights, by answering 'Yes' to Section 1, Assertion 4. However, as we reported last year, we are aware that it failed to do this and therefore should have answered 'No' to this assertion. It has also disclosed that it took appropriate action on all matters raised in reports from internal and external audit, by answering 'Yes' to Section 1, Assertion 7. This is clearly not correct.
- The Annual Return was not accurately completed before submission for review. Section 2, Box 8 of the prior year comparative column was not restated as reported in last year's external auditor report. Box 8 should read £17,794.
- Section 1, Assertion 6 has been incorrectly answered 'No'. The smaller authority has arranged for internal audit procedures to be carried out during the year and therefore should have responded 'Yes'.

Other matters not affecting our opinion which we draw to the attention of the smaller authority:

We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2017/18 for the exercise of public rights, since the period for the exercise of public rights did not include the first 10 working days of July. As a result, the smaller authority must answer 'No' to Assertion 4 of the Annual Governance Statement for 2017/18 and ensure that it makes proper provision for the exercise of public rights during 2018/19.

In the completion of the Annual Internal Audit Report, and their detailed report, the internal auditor has drawn attention to significant weaknesses in relation to internal control weaknesses during the year. The smaller authority must ensure that action is taken to address these areas of weakness in a timely manner.

3. 2016/17 External auditor certificate

We certify that we have completed our review of the annual return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2017.
