ROBIN WRITES:

"CHALK and CHEESE" or "FISH and CHIPS"

I write this letter for the magazines before the weekend when the REVD JOHN FORD visits us to help us launch our Benefice "LISTENING YEAR", and after coming to terms with the demands of Christmas and the reaction to the trial, one-off "Benefice News" that was produced for December and January. I detect:

MIXED FEELINGS - there was expressed a fundamental difference between the magazine produced by Fairlight and that of Guestling and Pett. The village of Fairlight has its RESIDENTS' ASSOCIATION NEWSLETTER which includes details of the churches, but as well Fairlight has a CHURCH NEWS. Guestling and Pett's magazine is PARISH NEWS. The strongest reaction was that these villages do not want the "feel" of their newsletter to change to being a "Church" one. In some letters the relationship was expressed as almost "chalk and cheese". However, church members cannot hold that view as we are TOGETHER a part of the same GROUP OF CHURCHES.

REAL HOPE - mistakes were made in copy with the Benefice News which can be understood with a "trial" edition. Bearing that in mind, many expressed their real hope of producing a "BENEFICE NEWS" to help the Churches discover each other and work together. One very experienced church leader went as far as to say, "we have put our hand to the plough, we must not look back". I wait to discover attitudes after John Ford's visit and the LISTENING YEAR progresses.

URGENT CHALLENGE - If the Church of England is going to survive in rural areas, then neighbouring villages must learn to work together in a group. It is not only the task of the CLERGY to be responsible for the WHOLE AREA, but for individual members to work together to help the local Church. Regarding Church News or Parish News, I think it is a case of NOT either/or, but BOTH/AND. We need to find a way of keeping the Parish News in Guestling and Pett, and also to create a BENEFICE NEWS. Therefore, to be much more "fish and chips" rather than "chalk and cheese".

Funeral at Hastings Crematorium

4 December - Ted Mephram of Ivy Cottage, Pett

TED MEPHAM - Pett Village said "goodbye" before Christmas to one of its outstanding characters, Ted Mephram, at the age of 81 years. He is mourned by many, especially Kath, who was his companion in Ivy Cottage after the death of his wife, Rose, being a close friend of them both. Also by daughters, Barbara and Carol, and their families.

Farming was Ted's life. Being in a reserved occupation during the war, he worked on the land, but played his part in the Home Guard. Ted moved from farm to farm and could turn his hand to most things. Barbara remembers having 14 homes as she grew up. "Crutches" in Icklesham was his last farm. In 1985 he retired to Ivy Cottage and was legendary for his fruit and veg which he sold to villagers. He would always stop to chat with passers by, and got to know many, young and old.

Ted was a plain and simple countryman, with no time for towns of any kind, even Rye! He was a very kind and generous person and will be greatly missed from the village.

SYMPATHIES to Joan Medlock on the loss of her sister, Betty, over Christmas time in her 90th year and CONGRATULATIONS to John Jury on becoming a grandfather again with the arrival of NICHOLAS JOSEPH.

THE VISIT OF BISHOP STEPHEN MWANGI

The Benefice were delighted with the visit of Rt Revd Stephen Mwangi and his wife, Hannah. Bishop Stephen is the Bishop of Nakuru in Kenya. You may remember that CANON MICHAEL has been the Chairman of the Diocesan "Friends of Nakuru". Bishop Stephen has had a year away from his Diocesan duties to study in Oxford. Permission was gained for Hannah to come on a month's holiday, and for a week they stayed with Michael at "Pax" in Pett. Michael conveys thanks to all those who provided hospitality to Stephen and Hannah during their stay in the Benefice. We were thrilled when the Bishop was present at the Christmas Day service at St Mary and St Peter and shared the "peace" with us. Then on 29 December he spoke at the BENEFICE UNITED SERVICE, also at Pett. In the presence of 100 from the three parishes, Stephen brought us the following message:

A NEW YEAR MESSAGE from the Young Church in Kenya to the old Mother Church

WE ALL BELONG TOGETHER

Bishop Stephen spoke of "God's Mission" and "Our Mission"

God's Mission

Stephen quoted from the three readings set for the Sunday after Christmas. Each spoke of God's Mission to us.

1. Isaiah 7:10-14. His name is called "Emmanuel" which means "God with us". God has come to us in person and dwelt among us.
2. Galatians 4:4,5. At the right time, says St Paul, God sent His only Son, as a missionary among us.
3. John 1:14 Stephen quoted John's Gospel, the "Word was made flesh and dwell among us". God has come, Jesus was sent.

Our Mission

Stephen said that the gathering of the members of the three Churches from the one Benefice reflects the UNITY that all Christians have in Christ. It also tells us that we NEED one another. We need to know and interact with each other. We cannot undertake the task of Mission by ourselves. We need each other.

He mentioned that he and his wife were here because of the spirit of Unity across the breadth of the Church of God. A link was established between the Churches in Sussex and the Diocese of Nakuru many years ago; namely "THE FRIENDS OF NAKURU".

He went on to say that MISSION should be seen as DYNAMIC.

- (a) The Church looks UPWARDS for strength, guidance and sustenance from God himself. We cannot undertake Mission without the direction and power of God's Spirit.
- (b) The Church looks INWARD for warmth, fellowship and nurture. For our Mission in these parishes to be successful, we desperately need each other. If we go it alone we are weakened and far less effective.
- (c) The Church looks OUTWARD demonstrating with concern for those around. It seeks to share its life with others in the community, and it reaches out to win others to faith in Christ.

Without this third dimension the Church can become FROZEN, STERILE and EVENTUALLY DIE. (The need for the three churches to become a benefice, is a sign of this happening). This needs to be reversed

Before giving this New Year message, the Bishop said how greatly he and his wife had enjoyed their Christmas week here, receiving kind and generous hospitality and meeting many warm-hearted fellow Christians in the Lord.

HELP NEEDED PLEASE - Pett PCC need a treasurer. Training will be given to anyone who would be willing to take on this essential role.

CONGRATULATIONS to Jamie Dunlop who successfully completed a series of ten maths masterclasses offered to 48 very able students from within the County. The course was held at Sussex University, Brighton, and to

Rachel Plank who played a solo on the French horn at Thomas Peacocke Community College's annual carol concert.

PARISH PUMP

Have you ever wondered how the Parish Council gets its money? Each January all Parish Councils have to tell Rother how much money they will need for the next financial year, and the total amount is raised through Council Tax. I am pleased to be able to tell you that Pett Parish Council has actually been able to reduce the amount precepted for 1997/98. Incidentally, the Parish Council accounts are available for examination prior to the Audit each year, and Council Taxpayers are always welcome to offer comments or suggestions as to how the Council should spend their money.

As you will probably know, the Village Hall Management Committee has appealed to the Department of the Environment, following Rother's refusal of Planning Permission for the field next to the Two Sawyers. Unsurprisingly the Parish Council was as divided as the Village over this Application; indeed it would have been odd (not to say fishy) if the Council had been of one mind when the people it represents were not. However, the Council is unanimous in its hope that when the Appeal decision is known, it will be accepted by all concerned with a good grace. Please would those who 'win' refrain from gloating, and those who 'lose' refrain from recriminations, and let's all try to go forward together.

The Parish Council holds a Draw Licence, and would be willing to let local organisations use it for approved charitable purposes. Applications should be made in writing to the Council and sent via the Clerk at Rectory Cottage.

Avril Thurley (Clerk to Pett Parish Council)

LISTENING YEAR - LENT STUDIES

John Ford, Michael Townroe and the Rector were amazed to discover a course that might have been written especially for us in our "LISTENING YEAR". It is called

"PATHWAYS OF PRAYER"

(edited by Rt Revd Graham Dow, Bishop of Willesden)

It was 'tried' by the Episcopal Area of Willesden before being published as a Lent Course for this coming year.

The content of the course is contained in a book "Pathways of Prayer" which costs £3.50. Please sign up for a copy as soon as you can.

There are FIVE interviews with leading Christians of different denominations. An interview will be played at each evening.

- Session 1 "Getting Started" with Cardinal Hume
- Session 2 "Praying Through Words" with Grace Sheppard
- Session 3 "Praying Through Scripture" with Donald English
- Session 4 "Praying Through Silence" with Gerard W Hughes
- Session 5 "Praying Through Life" with Angela Tilby

Outline notes have been produced so it is possible to attend the course without buying the book.

Already a number of groups have been drawn up. Last year when we looked at Bishop Ian's "Developing a Pastoral Strategy" there was only one group in Pett and one in Guestling. With the excellent course we hope that demand will be greater. PLEASE SIGN UP!

There will be a COMMUNION SERVICE on ASH WEDNESDAY at 6.00 pm at St Laurence, Guestling. (There is one in the morning at St Peter's, Fairlight Cove at 10.00 am). This will be a good way to start LENT. The course begins on various days commencing the first week in Lent.

The course will help us "attune" ourselves to God, and begin to LISTEN to what He wants to say to us as a BENEFICE.

NATURE NOTES

On a Friday evening in late November I met a very tame fox in Sue's drive. When I shone my torch on him he sat down and looked straight at me. He had a lovely thick coat, and looked in excellent condition. I got to within a few feet of him before he ambled off, pausing to look back once or twice. Since then, I have been shown photos of him with a cat in a neighbouring garden.

This incident reminded me of another encounter some years back when I was walking with Anna in the woods very early one morning. The sun was not yet up, though it was light enough to see without a torch. Suddenly Anna stopped dead, staring at a strange brown object which was waving and bobbing about a few feet off the path. It took me several moments to realise that the brown object was a fox's tail, whose owner was out of sight down the hole he was digging. Some sixth sense warned the fox of danger, and he emerged from the hole. For a few seconds of eternity we stared at each other - fox, dog and human - in the unity of mutual wonderment. Then the fox collected his wits and vanished as foxes do, with Anna in half-hearted pursuit; she never really made up her mind whether foxes were for chasing or playing with. But that moment of shared awareness between three diverse creatures is one I shall always treasure.

Don't forget when feeding your birds that they must have water as well, not only to drink but also to keep their feathers in good order. You may need to change the water several times a day in freezing weather, unless you can manage to make the night-light-and-flowerpot method work. If you can, please let me know the secret.

Avril Thurley

"A WORD OF THANKS"

Thank you for your giving and support over Christmas and New Year. We have received letters of thanks for the toys collected at the TOY SERVICE from the Hastings Opportunity Playgroup and the Hastings & Rother Social Services. Quotes from the letters:

"These will be greatly appreciated by the children who receive them", and "The people concerned will be delighted to receive them and will be very grateful to you and your congregation for their generosity".

The Rector also received a letter from GRACE STACK (Phyllis Gerreli's sister) expressing thanks for the kindness she received at the Midnight Christmas Eve service, when she was taken ill. We are delighted that she has made a good recovery. Some of the people involved spent time with her through the night at the hospital. She is very grateful.

THE FLOWER FESTIVAL COFFEE MORNING raised £119.00 with donations. Many thanks to Eileen and Robin for the use of their home. A further £22.00 was raised at Pett Playgroup bazaar and £42.00 on orders making a total of £183.00 towards this year's flowers. Thanks to all who supported this.

GUESTLING & DISTRICT WELFARE ASSOCIATION

THANK YOU

Those who managed to link together the two halves of the article in the last Parish News will know that the Pett Level Rescue Boat were running a Raffle in aid of the Guestling & District Welfare Association. Because of the way the article was printed, it looked as though the Rescue Boat owned a wheelchair, which must have conjured up some interesting mental images.

I am pleased to report that the Raffle was a tremendous success, raising more than £320.00 for the Association. This is especially welcome as the Association has had a lot of expense recently, renovating the wheelchair for its new user, so funds were very low. Sincere thanks go to the Committee of the Rescue Boat who supplied the magnificent hamper, to Rachel and Steve for displaying it in the Market Store and also to the Smuggler and the Beach Club for their support.

A really wonderful effort by all concerned.

GRATITUDE

It was a useful 'Thought for the Day' early in the New Year. I hope you heard it. It must have lifted the hearts of many.

The speaker's emphasis on gratitude as a basic source of happiness was a salutary reminder on a dark cold day. After reflection on two years here that is the word that first comes to mind.

For all of us in this lovely area it must be the same. For me it has another significance. I had not, in the same degree, experienced the full riches that lie within our Church and Anglican tradition. For within this Benefice we have the broader spectrum, as it were. Loyalty and love for particular buildings, yes, that is part of our history. But we are also given the wider opportunities of worship and fellowship which are of the essence of the Gospel and Kingdom. How blessed we are:

"One single grateful thought raised to heaven is the most perfect prayer".

Wise words of the philosopher and writer, G E Lessing (1729 -)

They can well take us into this YEAR OF LISTENING. At once we move away from negative and destructive thoughts, feelings and words to the positive approach, redeemed by all that is good, beautiful and true. I pray that our shared ministry, lay and ordained, will take us all increasingly in this direction.
