PARISH NEWS

Pett Level

We are now well into the last year of the second Millennium since the "marked" date of the birth of Jesus Christ. Christians have always claimed that Jesus' arrival into the history of this world reveals God's concern for mankind. The heart of the Christian message has been enshrined in the famous verse from St John's Gospel, "For God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish, but have eternal life." Time is not really significant as Jesus Christ is the "Same, yesterday, today and forever", yet every milestone marks the history of faith in Jesus Christ and the message he brought to this world.

The second millennium has been very significant for Christians in Britain. By the year 1000 AD, the faith was well established in Saxon England. There was certainly a church in the village of Guestling, surrounded by a small village. Within a few decades the Normans had arrived and the Church dedicated to St Laurence was built and the first incumbent (Hugh) installed in 1072. In the next hundred years or so, churches were built by the Normans in Fairlight and Pett, which would have looked very similar to the one we still have at Guestling. In those days the churches looked to Rome and the Pope as their human head. The 16th Century saw the break with Rome and the formation of the CHURCH OF ENGLAND together with other denominations that did not conform to the State Church's rules and beliefs. The EVANGELICAL AWAKENING following the work of the Wesleys and others in the 18th century paved the way for the Missionary Movement that spread from the Western World. The CHURCH MISSIONARY SOCIETY (now known as the Church Mission Society - CMS) was formed in 1799. The Victorian age of the 19th century saw the spread of the British Empire and with it, the Church! The Victorians threw their energies into building many churches throughout the country, replacing some and adding others. The Church in Fairlight, built in 1846 is an example. There was provided a seat for every person living in the village - not that everybody ever attended church! The same thing happened in Pett. The Victorians left a real headache for this generation to maintain these buildings; many so impractical for the needs of today, yet "graded" and attached to churchyards (our legacy from the Christian boom of the Victorian age). The 20th century has seen dramatic changes. There are enormous numbers of Christians in the world, but in Britain there has been a systematic decline of membership.

This month we approach the **Three Annual Meetings of the Churches that make up the present day Benefice**. There is still a great deal of life and vitality in our local churches, and we are well served by clergy and lay teams. (For example, the central authority of Diocese receives more than £40,000 a year from us in contributions, rents and fees). The two main problems we have are the maintenance and repair of our Victorian Churches and the "winning back" of people to committed support of the local church, especially the younger

ones in our community. The meetings will have to address these problems as the new Millennium approaches. Pett Church waits to receive a quotation for the major repair of its building. It has paid its way by not putting money aside for repair in the past. We can no longer do that! Your interest would make such a difference. PLEASE REGISTER YOUR SUPPORT. Thanks.

PLANS FOR 1999/2000 - UPDATE

Following the publishing of our outline programme in last month's magazine, certain amendments and additions have been made:

ROGATION SUNDAY - we have agreed to have a Rogationtide service on 9 May at 4.00pm in the forecourt of Churchbarn, Peter James Lane by kind permission. The idea is that those who can walk will leave their church in procession and walk through the countryside to the venue. The churches are making their own banners and we could sing and pray as we go. Others would arrive by car. We would pray for the land and the animals and have a service of blessing. Please put this date in your diary.

TRIANGLE - Three Villages children's events. The Committee has recently met and the programme planned. The first event is on 22 May which will be a ramble. A printed programme is now available. There will not be a Holiday Club this year, but two FUN DAYS are planned. An all day event at Guestling-Bradshaw School is to be held on **Tuesday 3 August** and another at the end of the holiday a **fun evening with barbeque and games on Saturday 4 September at the Rectory**. Other details can be found in the programme.

MILLENNIUM PUBLICITY - the Millennium Group had problems with the "NEW START" idea of delivering a candle and a copy of the "resolution" to every house in the Benefice. The New Start Resolution does not have any reference to God or the Lord Jesus and we felt that we would like to deliver our own literature to the villages. The Rector has discovered that the CHRISTIAN PUBLICITY ORGANISATION has some attractive literature ready and we found another wording of the Resolution that is more definite about Christian belief and we are considering using that rather than delivering the candles. St Mary's, Rye and the Rye Group have come to the same decision.

LOCAL FRIENDS - the members of the local Methodist Church are discussing ways in which we can celebrate the new Millennium together and we are also discussing ideas with the PARISH COUNCILS and RESIDENTS' ASSOCIATION. The next meeting of the Millennium Group of the Benefice is just before this edition is to be published. More news soon!

MISSIONS 1999

In 1799 (200 years ago) the CHURCH MISSIONARY SOCIETY was formed. This was the beginning of a great missionary endeavour that opened up Africa and Asia to the Gospel of our Lord Jesus Christ. There has been a dramatic change in the way that the Mission of the World Church is organised at the end of the 20th Century! No longer is the Western World sending missionaries to heathen lands with the Gospel. The Churches in the Third World are now stronger in faith and action than the original missionary churches in the West! We are now MISSION PARTNERS!

Over the past few years the great missionary agencies of this country have been changing their names to reflect this move in Mission. Last year the Church Missionary Society was renamed the CHURCH MISSION SOCIETY. The Bible and Medical Missionary Fellowship (BMMF) some years ago decided to call itself INTERSERVE. More recently the Bible Churchman Missionary Society (BCMS) changed its name to CROSSLINKS.

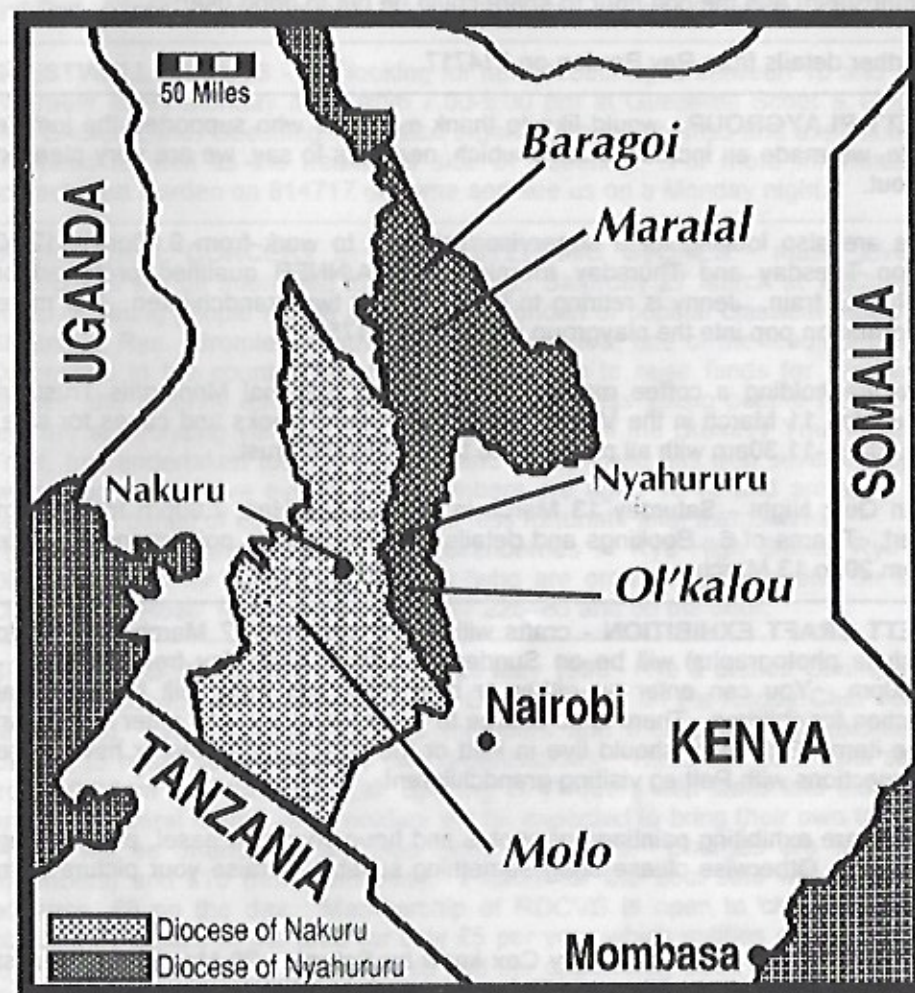

We are very fortunate in this Benefice to have older clergy closely involved in Mission through the years, seeing for themselves first hand the change in the style of world mission. Our own Canon Michael Townroe was for many years Chairman of the Diocese link with Kenya, through the FRIENDS OF NAKURU. BCMS, now Crosslinks, has worked over the years alongside CMS in the Diocese of Nakuru. In the light of this we want to join the international celebration of the 200th Anniversary. For this year we have recruited people from Guestling and Pett to join the Missionary Committee and we wish to focus on Kenya in our thoughts and prayers (see map opposite).

On 29 May there is to be a celebration with the Archbishop of Canterbury and the Archbishop of Kenya in London, while on Sunday 30 May we are holding our next Benefice Service at St Andrew's. We shall be focussing on the changes that have taken place in Mission Strategy, with a feature by Canon Michael with the Rector preaching on "Mission 1999". This will begin preparations for a BENEFICE MISSIONARY GIFT DAY on 31 October to be held at St Laurence, Guestling. We will be providing display materials and literature to inform the congregation so that we as a Benefice might have an informed understanding and share by PRAYER and GIVING in the new WORLD MISSION SCENE.

The Friends of Nakuru & Nyahururu

A link between England and Kenya

PETT WI - meets at 2.30pm in the Village Hall on Friday 19 March for a "members' afternoon". This will include slides and the usual tea, raffle and table stall. New members will be made welcome.

PETT FLOWER SHOW AGM - this will be held on Tuesday 9 March in Pett Village Hall at 7.00pm sharp. This is before the Garden Club and thanks to the Club and Evelyn Darnell.

The Flower Show Committee is always keen to welcome volunteers to make what is probably one of East Sussex's premier village flower shows run smoothly. In particular, it is looking for a secretary to work with the Committee. Enthusiasm and the odd hour to spare could be put to good use!!

You can enter on either or both days and there will be a special section for children. There is no charge to exhibit, and you can enter more than one item. Exhibitors should live in Pett or the surrounding area or have close connections with Pett eg visiting grandchildren!

If you are exhibiting paintings or photos and have your own easel, please bring it along. Otherwise please bring something suitable to raise your picture from the table.

IMPORTANT!! Please let Terry Cox know by Saturday 20 March at the latest how much space you will need. There is a lot of work involved in planning the

layout. Terry's number is 813967. If you can't get Terry, try Evelyn Darnell on 812615.

There is a tremendous amount of talent in Pett. Last time we held an exhibition there was an astonishing variety of skills on display. So if you make anything - Christmas crackers, metalwork, lace, window boxes, baby clothes, you name it - do please let us see it on Craft Day. Pett also boasts some very talented artists and photographers, and we look forward to seeing their work on the Sunday.

NATURE NOTES

It was a cold, wet, windy morning in January. My boots were heavy with the glutinous clay of the field path, and sharp flurries of hail were bouncing off my hood. The sheep were staring at me as though I were crazy, and I was beginning to think they might have a point. Then a perfect rainbow appeared in the sky over Icklesham. After a few moments a second rainbow appeared outside the first, paler and with the colours reversed. The whole thing lasted only a couple of minutes - just long enough to prove the sheep wrong.

A recent study in the New Scientist shows that the decline in numbers of Barn Owls is linked to the use of rodenticides. Less Barn Owls = more rodents = more rodenticides = less Barn Owls; what a crazy world we live in!

Following my note on the tree in Rectory Park containing a lump of shrapnel, I am told that the old Rectory was used by the Royal Artillery during the Hitler War. I am also told that during the War a collection of 13 unexploded bombs were detonated near Market Wood.

Interesting sightings this month include a magpie burying food, a fox hunting (for mice?) amongst heathers in a garden, and a pure white squirrel in Church Lane. The latter was not an albino, as it had dark eyes.

Our summer bird visitors will soon be back with us. The Chiff Chaff is usually one of the first, and also one of the easiest to recognise as he calls his name loud and clear. Visually he is very hard to distinguish from his close cousin, the Willow Warbler. There is a nice story about an ornithologist who insisted the two species were easy to tell apart. "That one on the fence is a Willow Warbler" he assured his audience, whereupon the bird opened its beak and solemnly commented "Chiff Chaff!".

Copy for the March magazine should be sent to Frances Taylor, Summer Hayes, Pett Road, telephone 813437 by 17 March 1999 please.

PARISH PUMP

The Parish Assembly will be held on Tuesday 23 March at 7.30pm following a brief Council Meeting. The guest speaker will be Julie Meredith from Care for the Carers, which should be of interest to quite a number of parishioners. This will be the last Parish Assembly for the present Council, as elections will be held in May. All parishioners are welcome and you will be given the chance to ask questions, make suggestions and offer constructive criticism.

There have been several "near miss" incidents caused by drivers going too fast through Pett. It has been agreed that a dossier of such incidents should be kept so that after a year or so ESCC could be asked to look again at traffic calming measures, but this time with some evidence to back the request. If you see a really bad example of driving, please write down the details and let me have them. Please include time, place and nature of incident. If you can get the vehicle number so much the better - if the same vehicle keeps being involved the Police would take action.

Do you think the Parish Council should do anything to celebrate the Millennium? If you have any ideas or suggestions (preferably costed) please let the Council know as soon as possible.

Avril Thurley (Clerk to Pett Parish Council)

THE WOMEN'S WORLD DAY OF PRAYER**5 March 1999**

Pett and Guestling have a small Planning Committee with members taken from the Churches of Pett Parish, St Laurence and Pett Methodist Church. They organise and plan the Women's World Day of Prayer service for the villages of Guestling, Pett and Three Oaks. On behalf of this Committee, we warmly invite you to share with us this year at Pett Parish Church. The service commences at 2.30pm on Friday 5 March. Although we are only a very small number, it is a real privilege to share in this worldwide initiative of prayer and feel a part of the whole.

This year the service has been prepared by the women of Venezuela, a little known South American country. Our own Dr Catharine Hollman is to be our speaker. Catharine has travelled the world widely with her husband, Arthur, and although she has not visited Venezuela, she will bring many insights from her travels as well as her experience of working as a doctor among special needs children. I can think of no one better to speak on the prescribed subject "God's Tender Touch"! We look forward to seeing you in March.

"GOD'S TENDER TOUCH"

PREPARED BY THE CHRISTIAN WOMEN OF VENEZUELA

CHURCHWARDEN'S DIARY

Wednesday 27 January - it has been the post-Christmas quiet time; have a feeling that these halcyon days are about to come to an end.

Sunday 31 January - a fifth Sunday in the month and we all go to Guestling. The Archdeacon is there to preach the sermon. We are warned about 'trend setting' and 'following fashion'. Trainers are given as an example of these misdemeanours. I relax - I am NOT wearing my trainers, but I pray, fervently, that he will NOT notice my Winnie the Pooh socks!!

Monday 1 February - wonder what sort of socks other CWs wear.

Saturday 13 February - some of the pigeons have abandoned Lunsford's cow shed and are making futile attempts to reclaim the steeple - hard luck chaps!

Sunday 14 February - Valentine's Day and the card has arrived complete with invitation to dinner at Local Hostelry. Hope that Pigeon in Sauce is on the menu though in view of yesterday's observation this can hardly be construed as a romantic thought!

Tuesday 16 February - meet builders at church. They are going to give us a repair estimate. This will mean another round of fundraising for the second year running - any volunteers?

Monday 22**Tuesday 23****Wednesday 24 and**

Thursday 25 February - AARGGGH! PCC, Millennium Appraisal, Lent Groups. Am looking forward to the APCM - is there anyone out there who wants to be a Churchwarden????
