### A Very Happy Ending

Recently my family in the USA ordered some flowers for my birthday. They didn't arrive and couldn't be tracked. Yesterday I posted a photo - a riot of colourful shrubs - on the Garden Club Journal and Sue Swallow recognised my name. The flowers had been delivered to her. She contacted Bob, Bob contacted me, my husband collected the flowers and I was thrilled. So it's a very big thank you to Sue, Bob and the Pett Garden Club for giving me a Very Happy Ending.
