St Clements Drizzle Cake

INGREDIENTS

Grated zest and juice of 1 lemon
Grated zest and juice of 1 orange
2 large eggs
175 g softened butter
175 g caster sugar
4 tablespoons whole milk
175g self raising flour
3 tablespoons granulated sugar

For the icing

75 g icing sugar
4 tsp lemon juice

METHOD

Heat oven to 180°C/350°F/gas 4. Grease and base line a 900 g (2 lb) loaf tin. Put caster sugar, butter, and orange and lemon zest in a bowl and beat until pale and creamy. Add the milk, then beat in the eggs one at a time, adding a spoonful of flour to prevent curdling. Fold in the remaining flour. Spoon into tin and level the surface. Bake for 40–45 min or until a skewer inserted into the centre comes out clean. Meanwhile, pour the lemon and orange juice into a saucepan, bring to the boil and reduce to approx. 3 tablespoons. Leave to cool, then stir in the granulated sugar so that it just starts to dissolve. As soon as the cake is out of the oven, prick it several times, then slowly pour the syrup over the top and allow it to soak into the cake. Leave to cool completely, then turn out. Mix the icing sugar with the lemon juice until smooth. Drizzle over the cake in a zigzag pattern.
