

Sunday 17 May Day 49 of the garden journal

17/05/2020

A Small White butterfly indulging in a little gentle camouflage. Not as voracious as its close cousin, the Large White, but it may still be wise to net the brassicas.

Alan Kenworthy

17/05/2020

... And not understanding the camouflage concept at all, another cousin, the Green-veined White.
