

Thursday 30 April Day 32 of the garden journal

30/04/2020

Our first peony in flower, *P. lutea*, often shy in flowering until it's a bit older.

Mike Marsh

30/04/2020

Changeable April weather and everything is growing fast. Aren't we lucky to have so much to do!

Paul Stapley

30/04/2020

The Choisya ternata is at its best and has the most delicious smell right outside our back door.

Pauline Stapley

30/04/2020

One of the first roses fully out. It seems a little early to me!

Pauline Stapley

30/04/2020

Wisteria coming out so slowly. Taken through glass, rain pouring down and everything blowing around in the wind - gives the image a painterly quality.

Sandy Andrews

30/04/2020

Some of the racemes look longer this year.
