

Sunday 07/06/2020 Day 70 of the garden journal

07/06/2020

This week it's the turn of the curry plant, exploding into bloom, that fills our small courtyard with its pungent scent.

07/06/2020

I usually have *Verbena bonariensis* all over the place. So far, this year, this is it standing proudly alone by a peony past its best.
