

What Are We Doing?

We will be carrying out drainage and carriageway resurfacing works on Battery Hill & Fairlight Road, Fairlight.

Works will also include kerbing, high friction surfacing, speed cushion installation & lining.

Work will start on Monday 24th August 2020 and will continue until Sunday 20th September 2020.

Road Closure

Due to the nature of the works, Battery Hill/Fairlight Road will be closed to through traffic 24 hours a day from Pett Level Road to A259 Old London Road. We will be working day & night shifts to minimise the duration of the works. Noisy works will cease by midnight. We will be starting the resurfacing work on Monday 7th September at the Old London Road end and working our way east until Sunday 20th September.

Access for residents and businesses will be maintained but you may need to take the diversion.

Diversion Route

Traffic will be diverted via Pett Level Road, Chick Hill, Pett Road, A259 & vice versa.

A separate diversion for HGVs will be signed via Pett Level Road, Sea Road, A259 Tanyard Lane, A259 Icklesham, A259 Guestling, A259 Rye Road & vice versa.

Vehicle access: The road will be closed to through traffic. This is for your safety and the safety of our workers. If you do need vehicle access then please discuss this with the team on site. We will try to give access where we can but there may be long delays whilst we make the area safe. We will always allow access for emergency vehicles. Pedestrian access will be maintained.

Weather: If it rains, we might be delayed in our works. We will keep you updated with any changes via advance warning signs.

Parking: Please park your vehicle off road or in another location, otherwise your vehicle may be towed away. There will be 'no parking' signs and cones on site to advise where parking is restricted.

Buses: We apologise if our works cause disruption to your bus service. Please check with the bus company for any alterations to the service during this time.

Bin Collections: We have informed your local council about these works. Your local District or Borough Council will let you know if there are any changes to your collection.

Covid-19: We are working strictly in accordance with the latest government and industry advice to ensure our workers and the public remain safe, including: planning works to minimise contact between workers, workers are travelling to site alone, working at a safe distance from each other, regular hand washing and use of hand sanitiser, and use of enhanced cleaning procedures for vehicles and equipment. Please be considerate of our workers carrying out these works during this difficult time; they have a critical role in keeping our network safe and ensuring easy passage for other essential workers.
