

Tuesday 07 July Day 97/98 of the garden project

Although the project officially ended yesterday, Monday 05 July, when lockdown restrictions eased, Mike sent this photo on Monday evening. It came through too late for the journal so here it is now.

07/07/2020

Barn owl on our fence. Sorry, couldn't resist this although not very close/clear. We often see the owl in the field. My phone is not good for a close up.
