A23 Bolney Flyover Deck Refurbishment - Please see dates below

As previously advised, A one+, on behalf of Highways England, are carrying out a full refurbishment to the A23 Flyover deck. Work continues this week, including the planned 24/7 full closure of the A23 northbound carriageway, and southbound lane closures in place from 8pm Friday 25 September 2020 through to 6am Monday 28 September 2020.

The weekends of Friday 2 October to Monday 5 October and Friday 9 October to Monday 12 October may be used as contingencies due to any unforeseen

circumstances.

There will be no access to the A23 northbound from the A2300 roundabout with Hickstead Lane. Residents and businesses will be able to access their properties during the overnight northbound closures to and from the manned closure point on the A2300 roundabout with Hickstead Lane.

Diversions:

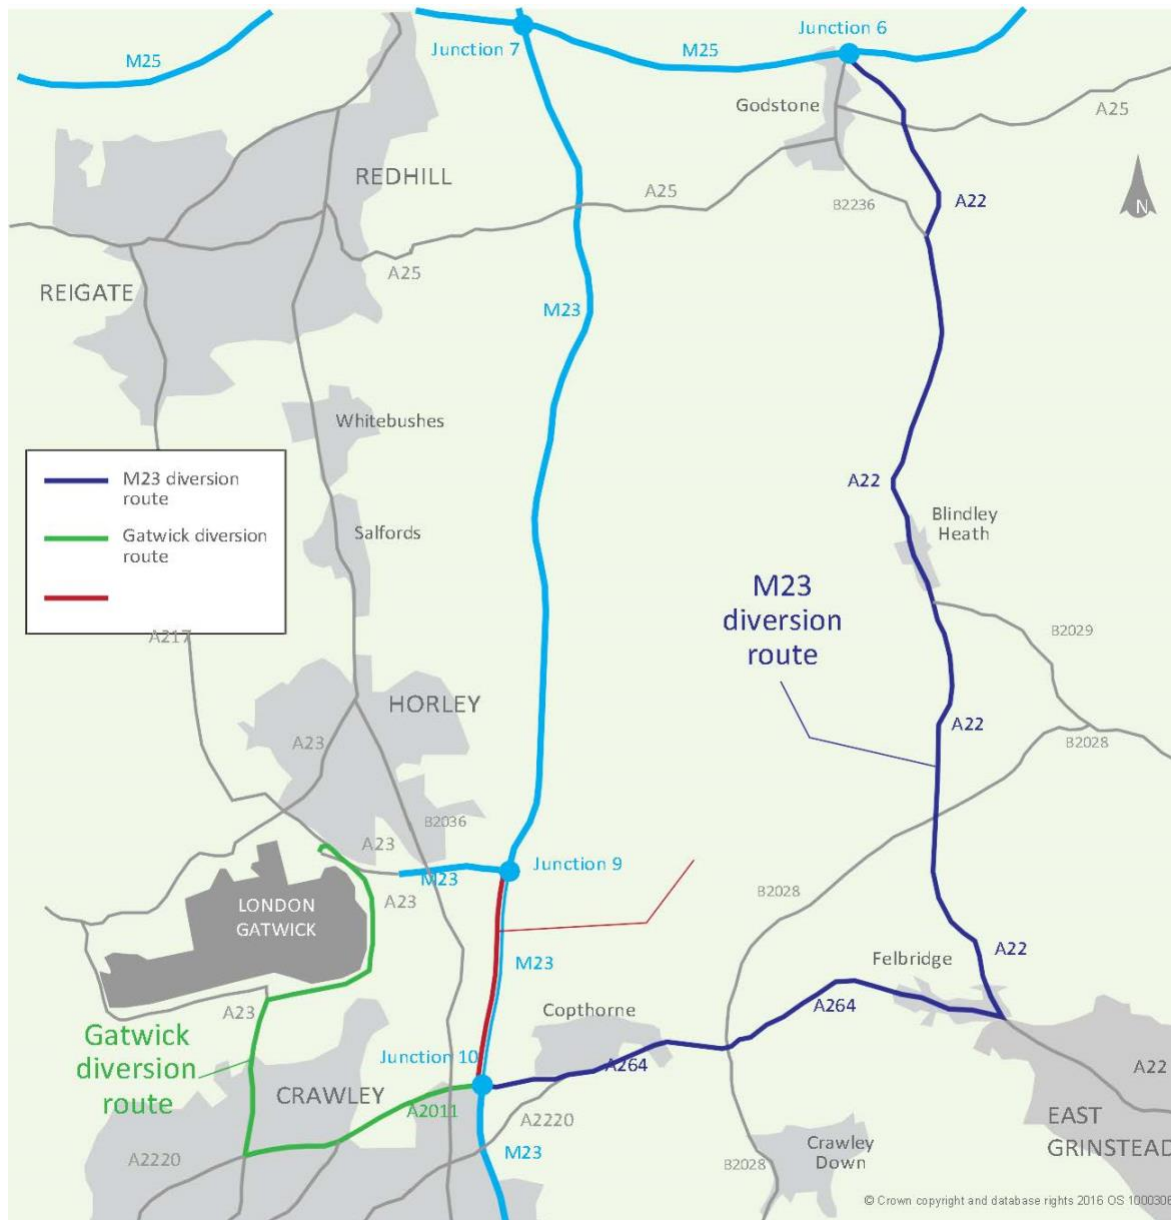

Clearly signed diversions symbolised by a black circle will be in place throughout the works suitable for all types of vehicles.

Southbound Bolney Flyover Diversion:

Vehicles traveling south will be diverted off onto the A23 exit slip on the flyover approach. At the roundabout take the 3rd exit to re-join the A23 to continue their journey southbound.

Northbound Bolney Flyover Diversion:

Vehicles travelling north will be diverted onto the A2300 at Hickstead. At the roundabout take the 3rd exit (A2300) over the A23. At the next roundabout continue on the A2300 eastbound. At the 2nd roundabout take the 2nd exit onto the A273 (Jane Murray Way) eastbound. At the 2nd roundabout take the 1st exit continuing on the A273 to the next roundabout continuing on the A273, Isaac's Lane (northbound). At Tyler's Green Roundabout take the 1st exit onto the A272. Follow the A272 westbound to return to Bolney Flyover where they can re join the A23 to continue journeys northbound on the A23.

Other road works and traffic information

We are periodically asked why we do not detail other road works and traffic issues across Sussex. The simple answer is that there are too many! To obtain the latest information we recommend that you refer to the Highways England website <https://highwaysengland.co.uk/traffic/>, where you can find details of traffic conditions, roadworks and other information across England.
