The NHS COVID-19 app is now available in England and Wales

The free NHS COVID-19 app is a vital part of the NHS Test and Trace service in England, and the NHS Wales Test, Trace, Protect service.

Protect your loved ones. Download the app.

The new NHS COVID-19 app, now available to download for free in England and Wales, is the fastest way to see if you're at risk from coronavirus. The faster you know, the quicker you can alert and protect your loved ones and community.

The app has a number of tools to protect you, including contact tracing, local area alerts and venue check-in. It uses proven technology from Apple and Google, designed to protect every user's privacy.
