

## Update on Significant Planned Road Works on the M23

### Monday 2 to Friday 6 November (inclusive)

There are no full closures on M23 Smart Motorway Project or slip roads over the next week. There will be some lane closures only.

### Other road works and traffic information

We are periodically asked why we do not detail other road works and traffic issues across Sussex. The simple answer is that there are too many! To obtain the latest information we recommend that you refer to the Highways England website <https://highwaysengland.co.uk/traffic/>, where you can find details of traffic conditions, roadworks and other information across England.
