

Neighbourhood Watch October Our News Newsletter Is Here

Dear Tim,

[Click here to read our October Our News newsletter](#)

This month we are thrilled to launch, for the third year running, the **Neighbour of the Year Award**, in partnership with our friends at Co-op Insurance; and Neighbourhood Watch Network's first ever **Community Grants Fund**.

We get to know our CEO, John Hayward-Cripps better in our Spotlight feature; and look at County Lines and what we can do about them. Furthermore we offer guidance and advice on supporting communities, and sustaining your Neighbourhood Watch group, as we face a rise in Covid-19 cases across England and Wales.

So grab your tea, put your feet up and enjoy [our newsletter](#). Don't forget to share it with your community.

Keep safe,
