

Special Roadworks Bulletin M23

The following works are scheduled on the M23, subject to weather conditions. We attach a map which may help you to visualise the areas affected.

Wednesday 2 December to Friday 12 December (inclusive) 21:00 to 06:00

Tomorrow night the Area 5 team will be closing the M23 both north and southbound carriageways between J8 & J10 for 3 nights, Wednesday, Thursday and Friday night. Each day there will be narrow lanes northbound past the damaged barrier. From Saturday morning there will also be a lane 4 closure southbound past the damaged barrier. This Traffic Management will remain in place until Saturday 12th December.

Other road works and traffic information

We are periodically asked why we do not detail other road works and traffic issues across Sussex. The simple answer is that there are too many! To obtain the latest information we recommend that you refer to the Highways England website <https://highwaysengland.co.uk/traffic/>, where you can find details of traffic conditions, roadworks and other information across England.

If you're interested in joining Neighbourhood Watch, or want to find out more, visit www.sussexnwfed.org.uk or send an email to enquiries@sussexnwfed.org.uk.
